Name Of Institution:	
City, State:	
Phone:	
Email Address:	
Purpose Of The Research: Brief Description	
Methods: Briefly state whether the collected data will be anonymous or confidential, and describe plans to maintain the privacy of participants.	
Benefits Of This Research: Brief Description	

Additional attachments include:

- Copy of IRB approval
- Cover letter and/or email introduction to potential participants
- Copy of survey

Please email this application with the following attachments to:

Rance Harbor, Ph.D.
 Research Chairperson
 rance.harbor@sdhc.k12.fl.us

Upon approval:

- the following statement must be included along with the survey:
“The Florida Association of School Psychologists (FASP) encourages school psychologists to participate in the completion of surveys which increase the knowledge base about the practice of school psychologists in the state of Florida. This survey has been approved by the Research Committee and the FASP Executive Board.”
- the researcher agrees to notify the Research Committee Chairperson when the study has been completed and agrees to submit a brief article summarizing the results of the student. The article may be published in the FASP Newsletter or made available to the FASP Membership via the FASP website.
- the FASP Research Chairperson will send the primary researcher a letter of support.
