b. FASP President: Amy Clark

Reviewed information from the NASP conference. Will need to update our strategic priorities/planning. Received positive feedback from the most recent newsletter. Challenges with access to social media accounts so we will meet to figure it out. No dates yet for SI-needs to be decided on ASAP. Equality Florida has offered to provide training, and they want to use our logo on their promotional materials.

i. Equality Florida Mental Health Committee-upcoming training.

ii. [FASP Strategic Planning Baseline Updates for 2026-2031 FASP Strategic Plan.docx](#)

c. [FASP President-Elect](#): Jamie Donnelly

Attended the NASP conference and enjoyed talking with people from other states.

[Annual Conference](#)-have a theme is Riding the Wave with Confidence, Resilience and Purpose and need to put out a call for proposals. Would like to have BCBA presenters and coordinate the timing of the presentations. Narrowing down the keynote speaker, sponsorships. Need to have a past presidents forum. A NASP president can present at a conference for no cost.

Exposure project-would like to ask FASP members to be willing to be interviewed about school psychology. The advisory board from Kaiser College meets twice a year and guides the program for real world applications of psychology. Looking for presenters to speak about school psychology as a career. Please contact Jamie if you are willing to help.

d. [FASP Immediate Past President](#): Joe Latimer-not present but he submitted the following written report:

Conference

- Monica, Austin, and I went on a site visit at Marriott Hutchinson Island Resort. The site is new to FASP and we are very excited about it! It was a very nicely updated hotel with a on site conference center. We are currently reviewing and negotiating the drafted proposal
- We are also in communication with the following sites to gather more proposals: Innisbrook and Daytona Hilton.

Elections

- All nominees have submitted their headshots and nominee statements. I am working with Karly and Jorge to get the website updated and the ballot constructed.
- We intend to send over both the website and ballot to the board prior to membership for testing!
- Currently, the voting will be held from April 6th to April 27th.

Bylaws

- Since our last meeting, I have responded to one bylaw-related inquiry focused on FASP investment accounts. I provided the appropriate information to each requester.
