

2026-2027 Elections

CSFI Board Nominee

Kim Berryhill

My career in education has spanned almost 30 years practicing as an Exceptional Student Education teacher, School Psychologist and SEDNET Project Manager. I have served on the FASP Executive Board since 2004 in various positions. Additionally, I have served on the CSFI Board for several terms and wish to continue to serve the children and families of Florida. As a part of the CSFI board, I have assisted with solicitation of donations of funds as well as the promotion of CSFI's overall mission. Within the last several years, I have been able to facilitate several promotions to raise funds for FASP's CSFI including selling football tickets, facilitating corporate donations as well as implementing website promotions. A multitude of children and families in my district have reaped the benefits of CSFI at their ultimate time of need. I have seen the tears of relief and gratitude and feel strongly that I would like to continue to promote and build CSFI.
