

2026-2027 Elections

Secretary Nominee

Susan Hatcher

Thank you for the nomination for FASP Secretary. I have been serving as the secretary of FASP since 2023. I am also one of the founding members of the North East Florida Association of School Psychologists (NEFASP) and I served in many roles with this organization, including secretary.

I am a retired School Psychologist, who worked for 14 years in Duval County Public Schools. In addition, I worked part time for 7 years at the University of Florida, Department of Pediatrics. Prior to being a School Psychologist, I was an ESE teacher in Orange, St Johns and Duval Counties and a Program Specialist for a private educational firm.

I have a Bachelors/Masters degree in Learning Disabilities and Emotional Handicaps from Florida State University. I have a Specialist in School Psychology degree from Nova Southeastern University. I am certified by the State of Florida in School Psychology, Elementary Education, SLD, EH and VE. I am licensed as a School Psychologist (retired) through the Florida Department of Health. In addition to currently serving as FASP secretary for 3 years, I have also been on the FASP board as the Awards Chairperson and Professional Development Chairperson. I served for one year for CSFI as well. Lastly, I served on the Ethics Committee.

My goals for the office include being responsible for keeping all the records of FASP and of the Executive Board including taking minutes and recording motions at Executive Board meetings and annual Business Meeting. I request and compile board member reports for business meetings. In addition, serving on the Finance and Advisory Committees is another important responsibility.
